

The Friends of South Pass Cordially Invite You to Gold Rush Days 2015!

This year's celebration will feature several new activities!

Our musical entertainment hails from Dubois, Wyoming. Jess Camilla O'Neal & the No Sweat Players perform songs of the Old west & original works. They will play on Main Street & entertain the visitors as they gold pan, enjoy the bake sale or play a hand of Faro. "What is Faro?" you say. Well Faro is a 19th century card game where you test your luck & skill against the bank. It was often called "Playing the Felted Green!" Richard Lenzer of Buffalo will be playing cards with visitors in the Hotel Lobby. In the old west finding your way was dependent on maps that were laid out by the U.S. Corp of Topographical Engineers. This Gold Rush Days SPC will feature reenactors of the U.S. Corp of Topographical Engineers. Come & learn how maps were drawn using 18th & 19th Century technology with no help from Siri! In the age of selfies there is something mysterious about old photographs. This year's Gold Rush Days will feature Photographer Lindsey Ross. Ross works in tintypes a 19th century technique that

produces a magical print on tin. Far from a cell phone! Come & have your portrait taken. And as usual, gold Rush Days will host the Vintage Base Ball Tournament, wagon & buggy rides, anvil blasting & so much more!

Admission is \$5 for adults over 18 & \$2 for kids. Visit www.southpasscity.com for more information or call 307-332-3684.
